Prospectus for Khyber Pakhtunkhwa Medical/Dental Colleges 2010-2011

KHYBER MEDICAL COLLEGE, PESHAWAR

Khyber Medical College, which is situated at the doorstep of historical Khyber Pass, was established in 1954. The College started functioning in 1955 with enrolment of fifty students with meager facilities.

Ever since the college has undergone tremendous development and has become an excellent seat of learning and motivation, recognized all over the world.

Khyber Medical College is a pioneer institution in Khyber Pakhtunkhwa in medical education and has been rightly called the mother Institution of all the Medical/Dental Institutions established in Khyber Pakhtunkhwa. It has created name for itself at national and international level by dedicated work of its staff and students.

The graduates of Khyber Medical College, numbering over 9000, are providing health care, not only in Khyber Pakhtunkhwa and FATA, but also in rest of the country. In addition, its graduates are holding key positions both at home and abroad.

Beside undergraduate medical education, the college offers teaching and research facilities to the postgraduate students, i.e., M. Phil, in all basic Medical Sciences, FCPS in Clinical as well as basic medical sciences, and minor diplomas in many specialties.

The college is affiliated with Khyber Medical University and is recognized by PMDC, General Medical Council of UK, Ireland and licensing authority of USA.

Khyber Teaching Hospital, established in 1976, is attached to the college for teaching/training purposes. It is a 1200-bedded hospital, which maintains high standards with highly qualified medical staff and sophisticated equipments.

Adjacent to the college are Khyber College of Dentistry and Institute of Radiotherapy and Nuclear Medicine (IRNUM), providing training facilities to the students of Khyber Medical College in these disciplines.

The Pakistan Medial Research Council (PMRC) has established a research center within the college premises. It is a well-equipped center where research facilities are provided in all disciplines of medical sciences.

The college has a well-established Medical Education Department where courses on various subjects are organized periodically. In addition, workshops, symposia and seminars are organized by the Department for the faculty members and students.

An I.T based ‘Self Learning Resource Center’ has been setup within the college which is equipped with latest computers that provides internet facility to the staff and students thus facilitating self study and research. A wireless network system has been established in the college and wireless bridging between the college, hospital and student hostels has been completed. The network system is connected to the digital library of Higher Education Commission.

A scientific journal is a symbol of recognition of academic activities and research conducted in an institution. KMC has been regularly publishing its own scientific journal known as “Journal of Medical Sciences”. The research articles
are mostly contributed by the faculty of KMC.

The college has well-established library consisting of three portions, i.e., a lending part for students, a reference part for teachers and a part containing periodicals. The library is well furnished, air-conditioned and offers large collection of books and periodicals to meet the teachers and students requirements.

Separate hostels for boys and girls are situated within the premises of Peshawar University.

The students of KMC over the years distinguished their Alma Mater not only by extending selfless services to ailing humanity with devotion and dedication, acquiring higher and specialized knowledge in various disciplines of medicine, but also by actively participating in co-curricular and extracurricular activities. The Social Welfare Society is the youth wing of Pakistan Red Crescent Society. Based on its outstanding performance and impressive activities in the service to the ailing humanity, the society has been receiving champion’s trophy and has been rated as the best youth wing of Pakistan Red Crescent Society Khyber Pakhtunkhwa for the last 22 years in a row. The literary society of the college is indeed playing a vital role in projecting the real talents of the Khyberians. Our college magazine ‘CENNA’ is considered an epitome of excellence in the literary circles of the country. In addition, the college has a sports society, a debating club etc.

Prospectus for Khyber Pakhtunkhwa Medical/Dental Colleges 2010-2011

AYUB MEDICAL COLLEGE, ABBOTTABAD

Abbottabad is situated at an altitude of 1,225 m. (4002 ft.) and is surrounded by refreshing green hills of Sarban, one of the best-known hill resorts of Pakistan. It is situated on the Karakorum Highway, the Silk Route to China, 120 Km from Rawalpindi/Islamabad. The climate is temperate with 4 distinct seasons, spring, summer, autumn and winter. The summer is pleasant while the winter is cool with occasional snowfall. The city is non-industrial, situated in the lush green Orash Valley and is fairly free from environmental pollution. It has a population of over 300,000.

In 1978, the Government of Khyber Pakhtunkhwa sanctioned establishment of Ayub Medical College, named after Late Field Marshal Muhammad Ayub Khan. The 1st academic year started on 15th May, 1979 with enrolment of 100 students. It was first established in a building provisionally acquired from the Education Department, and then moved to its present scenic location on Karakorum Highway on 30th December 1990. The College building is one of the most beautiful of all medical colleges of the country.

Since 1979 to date the College has undergone tremendous development. At present the Medical College comprises of modern buildings, 1,000 bedded Teaching Hospital, a School of Nursing, a Paramedical School, hostels, play grounds and other supporting amenities for the students and staff. The college has spacious lecture halls with most sophisticated audiovisual teaching aids, well-equipped laboratories, museums and a vast, centrally air-conditioned library having Text Books, Reference Books, CD’s and Taps, Medical Journals, a “Self-Learning Resource Centre” and a Computer Library with access to Internet.

More than 3000 doctors have graduated from Ayub Medical College so far who are holding high positions not only in the country but abroad as well, including UK and USA.

The college is affiliated to University of Peshawar and Khyber Medical University, Peshawar. It is recognized by the PMDC, General Medical Council of UK, WHO and many reputed Medical Councils of the world. The College of Physicians & Surgeons of Pakistan has recognized many of its Departments for postgraduate training. The Royal College of Obstetricians & Gynaecologists of UK has granted recognition to the Department of Obstetrics and Gynaecology for the clinical training of the MRCOG candidates.

With commissioning of INOR (Institute of Nuclear Medicine, Oncology and Radiotherapy) at the campus, Ayub Medical College has joined nuclear medicine club where most modern techniques for diagnostic and radiation therapy are available.

The College has been publishing its Journal, ‘Journal of Ayub Medical College (JAMC)’ since January 1988. It is a peer reviewed journal and has gained its place as a standard medical journal, recognized by the PMDC and registered with International Serial Data System of France, Indexed Medicus of WHO (EMRO). JAMC is one of the few medical journals of Pakistan, available free online with full text and illustrations.

‘Karakoram’, the students’ magazine of Ayub Medical College has always kept its standard and is known as a balanced magazine edited, formatted, printed and published by the students.
themselves. The magazine is published in English, Urdu, Hindko and Pushto languages and contains write-ups from staff and students apart from scientific articles by the students.

Hostels for boys and girls are located at the campus, adjacent to college building. Four hostels for boys and one for girls are available besides, hostels for MO’s, House Officers, Paramedics and Nurses. Full-time Resident Wardens, Deputy Provosts and Provosts, separate for Boys’ and Girls’ hostel, manage the hostels.

**DENTAL SECTION OF AYUB MEDICAL COLLEGE**

In order to provide Dental Education and better health facilities to the people of this region, a Dental Section has been established in Ayub Medical College during 1998-99. The Government has decided to complete the establishment of Dentistry Department in three phases. Two phases have been successfully completed whereas the work on Phase-III is in progress. The Section is making all efforts to provide improved facilities of Dental and Maxillofacial Surgery besides training and teaching to BDS students for Degree of Bachelor of Dental Surgery from Khyber Medical University. The Department of Oral & Maxillofacial Surgery is recognised by the CPSP for FCPS training.

The Department has sufficient space, latest equipments, Laboratories, Lecture Rooms and a Library. There is qualified and experienced staff appointed for teaching and training the BDS students and also provides better dental treatment to the patients of this area.

In order to provide dental health facilities to the people of this region, it was considered necessary to set up a teaching dental department at Khyber Medical College, Peshawar. The idea to start a dental department came from late Dr. Hassan Raza Shah, the then Principal of de’Montmorency College of Dentistry, Lahore. It was gladly accepted; appreciated and very much encouraged by General Mohammad Akram, the then Principal of Khyber Medical College and Mr. Mohammad Ali, the then Vice Chancellor of the University of Peshawar. The Department of Dentistry was formally declared open by the then Minister for Health Begum Mahmuda Salim on 12th October 1964.

The first batch graduated in 1968 while Pakistan Medical & Dental Council accorded permanent recognition of BDS degree in its session held in Dacca (Bangladesh), the Capital of the then East Pakistan in November, 1968.

From the modest start, it has grown to become a fully developed teaching institute with its modern Oral & Dental Hospital and Surgeries, Operation theatres and Wards in its new building complex, which was opened on 9th September, 1978.

The annual intake of students has gone up gradually from 14 in 1964 to 77. So far more than 600 dental graduates have qualified from this institute. Nearly 300 patients receive daily dental treatment of various nature. This includes highly specialized treatment modalities like orthodontics appliances, treatment for oro-facial pain, facial injuries, oral cancer and fixed and removable prostheses of various kinds.

On 11th January 1990, the Department of Dentistry was upgraded to the status of the College by the then Chief Minister, Mr. Attab Ahmad Khan Sherpao who made this announcement while presiding over the inaugural function of the Silver Jubilee of the Department of Dentistry.

Three new blocks housing the Department of Orthodontia, Prosthetic and Conservation were added to the present set-up in 1992. The Basic Science Block was added in year 2000. The new Department of Oral & Maxillofacial Surgery, R&D Department, Pathology Lab, library and cafeteria will start functioning from this year. Major repair/renovation and installation of new equipment has given a new look to Khyber College of Dentistry.

The College is recognized by College of Physician and Surgeons of Pakistan (CPSP) for FCPS Part II training in the specialties of Oral & Maxillofacial Surgery and Prosthodontics. The college is also recognized by CPSP for training of MCPS in Oral & Maxillofacial Surgery, Prosthodontics, Periodontology, Operative Dentistry, Orthodontics and Family Dentistry. In addition, Khyber Medical University has approved various diploma courses in the specialties of Periodontology, Operative Dentistry, Orthodontics and Paedodontics.

Khyber College of Dentistry is located within the University Campus and adjacent to Khyber Medical College, Khyber Teaching Hospital and the Administration Block of the Peshawar University. The shopping centre, telegraph and post office are situated very close. Within the large green campus lawns of the University provide transport faculty regulary whereas the private transport is also available from early morning till late in the night for travel between the College and Peshawar City. The College is amazingly close to World famous Khyber Pass and the most beautiful scenery in the hilly areas and valleys.

Swat, the former state, was given the status of a District in 1970. This District holds a central position in the northern belt of the Province, and has significance as an area of anthropological interests in the history of South East Asia. Swat has been extremely attractive place for tourism and it is aptly known as the Switzerland of Pakistan.

Saidu Sharif, the former capital of Swat state, is the District Headquarter while adjoining Mingora is a commercial centre. The present Swat owes its grandeur and developments to the inputs by Badshah Sahib and Wali of Swat. The population of Swat District is approximately 1.7 million.

Since the historical announcement in October 1998 of the establishment of Saidu Medical College, on the floor of the Provincial Assembly, Saidu Medical College started functioning with enrolment of 50 students. The classes started on 28th of December 1998 in the Holy month of Ramzan. The College is housed in the old Paramedic School & Hostel, which have been completely overhauled, renovated and furnished. Hostel facilities for both male and female students are available. Peshawar University affiliation committee visited the college on 08th October 1999 and Saidu Medical College; Swat was approved for affiliation with the Peshawar University. The college is presently affiliated with the Khyber Medical University.

Pakistan Medical & Dental Council has given recognition to the college. The college has excellent professorial staff in preclinical and clinical departments.

Many graduates of Saidu Medical College have passed FCPS in various specialties and are working all over Pakistan and abroad. The name of Saidu Medical College has been included in the WHO list of International Medical Colleges and the degree has been recognized in USA and UK.

Saidu Group of Teaching Hospitals is attached to Saidu Medical College, Swat with 500 beds for all the specialities.

Saidu Medical College, Swat is being maintained by the Government of Khyber Pakhtunkhwa and is under the administrative control of Health Department.

D.I. Khan is a historic city. It is situated in the Southern region of Khyber Pakhtunkhwa. It is about 300Km from Peshawar and is linked to it through Kohat and Bannu Districts. It is located on the main Indus High Way. Air services to major cities of the country are also available.

Though economically underdeveloped, this seven centuries old city is rich in socio cultural heritage, the archaeological antiques and the remnants of the glorious past. Among others, Rehman Darri, an archaeological site dating back to 3500 BC, is situated 14 Km north of the city. Historic Suleman Plateau and Kohe Suleman border its west while Indus River flows in the East. Geography has influenced its economy and hence the way and standard of living of its people. The people are endowed with qualities of intelligence, generosity, courage, bravery, simplicity and sincerity. They are peace loving. There is a substantial contribution of these people in the freedom movement of Pakistan. Since D.I. Khan division has borders with Bannu Division, South Waziristan, Southern Punjab and Balochistan, the college is playing a major role in providing health services to the people of these areas.

The Chief Minister of Khyber Pakhtunkhwa announced Gomal Medical College for D.I. Khan in a session of Provincial Assembly on 26th August 1998.

The College was temporarily established in a portion of Central Library of Gomal University. Fifty seats were sanctioned for the session 1989-1999 and the college started on 11th January 1999. Presently, it is located on North Circular Road with enough space and laboratories. Future building of the college is under construction near Mufti Mahmood Memorial Hospital for which Government of Khyber Pakhtunkhwa has allotted 300-canals of land. Gomal Medical College has two Teaching Hospitals i.e DHQ Hospital and Maulana Mufti Mehmud Memorial Hospital. The college has been regularly publishing its scientific journal “Gomal Journal of Medical Sciences” since April 2003, recognized by Pakistan Medical and Dental Council of Pakistan and a student’s magazine HAYYAN regularly.

There was a dire need in Khyber Pakhtunkhwa to have a medical college for girls. Such a facility already exists in Punjab in the name of Fatima Jinnah Medical College Lahore and in Sindh in the name of People’s Medical College Nawabshah where only female students are admitted.

The Government of Khyber Pakhtunkhwa took a policy decision in this regard and in August 2003 the Provincial Cabinet approved the establishment of a separate Girls Campus of Khyber Medical College located at Hayatabad with an object to upgrade the same to an independent Girls Medical College in due course of time. The Girls Campus of K.M.C started functioning in PDA Block-IV, Phase-V Hayatabad and admitted First Batch of 50 students during the Academic Session 2004-05.

The Chief Minister Khyber Pakhtunkhwa during the inauguration ceremony of Girls Campus, KMC on 13th May 2006 announced the upgradation of Girls Campus KMC to an independent college “Khyber Girls Medical College” w.e.f 8th December 2005. Hayatabad Medical Complex is its teaching hospital. At present the Khyber Girls Medical College has its own faculty (Basic/Clinical).

All the Basic Sciences departments of Khyber Girls Medical College have well established/well equipped Laboratories, Lecture Theatres, Dissection Hall, Anatomy Museum, an Self Learning Resource Center and two Libraries one for the staff and the other for the students with sufficient number of latest editions of Text Books, Reference Books, and Journals.

The Government of Khyber Pakhtunkhwa has allotted 30 kanals of land adjacent to the college building for the construction of two hostels for the students, lecture theatres, examination hall and auditorium etc.

Pakistan Medical & Dental Council (PM&DC) and College of Physicians and Surgeons Pakistan (CPSP) have already recognized the Khyber Girls Medical College.

This institution has admitted 6th Batch of 50 students of First Year MBBS Class during the Academic Session 2009-10.

The name of Bannu is derived from “Bano” who was the wife of Shah Farid Ilyas (Sheetak), the founder of present day Bannu and the Banochi Tribe which came from Shawal. Bannu is a thickly populated District located in the heart of southern region of Khyber Pakhtunkhwa with its boundaries touching the Districts of Karak, Lakki Marwat, and the North & the South Wazirstan Agencies. Besides this, it also has a huge Afghan population. The people of Bannu are faced with the dearth of health facilities. The establishment of a Medical College in Bannu plays major role in the improvement of Health Services in this area.

The Chief Minister of Khyber Pakhtunkhwa, Mr. Akram Khan Durrani announced the establishment of Bannu Medical College Bannu and the Health Department issued its notification No. SO-IV 12-36/2006 dated 31st August, 2006. This year we will enroll 100 students on Open Merit. Bannu Medical College Bannu is temporarily based in the current building having enough infrastructure and a covered area of over 60000 Sq. feet. In the recent inspection, the P.M.D.C team made the following observations.

“The building is impressive and fulfill all the basic requirements of students and faculty members the current building has been transformed excellently into a purpose serving building to host the Basic Departments of the college”.

The permanent set up having a purpose built building will be located in Bannu Township in an area of 600 kanal of land and the construction of new building is in process.

The 600 bedded Khalifa Gul Nawaz Hospital, DHQ Hospital and Zanana Hospital are the Teaching Hospital of Bannu Medical College.

It also has the facility of SLRC with a space available for over 30 computers and also a capacious digital library for the students and staff about which the PMDC has remarked as under:

“There college has an excellent SLRC center developed in the library. Their existed the facility of digital library with state of the art software installed”.

The college has the following hostels:

1. CENNA HALL for girls, catering for 60 female students.
2. TOCHI HALL for boys, catering for 40 students.
3. KURRAM HALL for boys, catering for 30 students.

The hostels are located in the nearby DHQ Hospital with full security arrangements. We soon are going to renovate doctors Hospital in DHQ teaching Hospital for the students for Bannu Medical College, which will accommodate 80 students and we also shall be renting two more hostels. There are three buses and one coaster for students and a hiace for staff.

These seats are however, subject to such changes as Federal Government and the concerned Provincial Government may make within their respective competency.
ELIGIBILITY FOR APPLYING AGAINST DIFFERENT CATEGORIES OF SEATS

1. In case the candidate desires to change his/her choice already recorded in admission form, he/she has to submit written application at the time of interview. The choice of candidate at the time of interview and the decision of JAC will be final for all categories of seats.

2. Selection under each category of seats shall be done on the basis of inter se merit amongst the eligible applicants.

3. Description and eligibility for applying under various categories of seats is given under respective headings below. The applicants must study the admission policy carefully and then apply accordingly.

4. The candidate should give at least three telephone numbers (including landline and mobile) which must be active and contactable.

A. KHYBER PAKHTUNKHWA PROVINCIAL SEATS

The candidates seeking admission against Khyber Pakhtunkhwa Provincial Seats (Open Merit/Reserved Seats, seats in Fatima Jinnah Medical College, Lahore and reciprocal seats in Nishtar Medical College, Multan) must be bonafide nationals of Pakistan with a valid domicile of Khyber Pakhtunkhwa.

I. OPEN MERIT SEATS

These Seats are open to applicants possessing valid domicile certificate of Khyber Pakhtunkhwa including the backward areas of Khyber Pakhtunkhwa

II. GENERAL SELF FINANCE SEATS

The Khyber Pakhtunkhwa General Self finance seats are open for applicants who are domiciled of Khyber Pakhtunkhwa including backward areas and FATA.

III. SEATS IN FJMC LAHORE (FOR GIRLS ONLY)

The candidates who wish to apply against these seats should indicate their preference in appropriate column given in their respective admission forms. The nomination against these seats will be made from amongst the female candidates in the combined Open/Backward Area merit list on merit cum choice.

IV. KHYBER PAKHTUNKHWA BACKWARD AREAS SEATS

These seats are reserved for the backward areas of the Province of Khyber Pakhtunkhwa. The backward areas are identified as Upper & Lower Dir, Chitral, Kohistan, Gadoon, Amazai, Tribal areas adjoining Mansehra district including Kala Dhaka and Upper Tanawal, Batagram district including Allai, Shangla, Buner, Kalam, Tank and Hangu and Tehsils Balakot and Kalam. Candidates from these areas can also apply against Open merit seats.

To be considered on open merit as well as quota seats, the candidates must apply against both categories through separate admission forms. However, it will be the choice of the candidate to avail open merit or Backward area seat.

Criteria of eligibility for backward areas of Khyber Pakhtunkhwa

1. The candidates must have a valid domicile certificate of the Backward area against which he/she is submitting the application.

2. i. The candidates must have obtained education from class-I till F.Sc (complete sessions) including SSC with science and F.Sc premedical from institutes within the concerned backward area of Khyber Pakhtunkhwa and have passed examinations from the same institutes provided such facilities exist in the area.

ii. Where there are no high schools or colleges available or the facility for teaching science subjects does not exist, the candidate must have obtained their primary and middle education from the respective backward area and must have obtained their SSC (science) and F.Sc (pre-medical both complete Part-I and Part-II) within the district of domicile.

iii. In case of non existence of school/college or non-availability of the facility for teaching science subjects, the candidate will have to provide a solid proof in the form of a certificate (as per specimen given on page 67) duly verified by the concerned EDO (Education) and countersigned by the concerned DCO of the concerned district.

1. A student shall be eligible to appear in a professional examination if he/she fulfills the following conditions:
   a. Has passed all the subjects of the previous examination.
   b. Has undergone the specified period of theoretical and practical courses and clinical training including demonstrations for the said examination to the satisfaction of the department concerned.
   c. No student is eligible for university examination without having attended at least 75% of lectures, demonstrations, tutorials and practical/clinical work in both in-patients and out-patients in that academic session.
   d. Has his/her name submitted to the Controller of Examination KMU by the Principal on clearance by the Head of Department/teacher concerned,
   e. Has paid the requisite fees for the examination to the KMU and has cleared all the college/hostel dues.

2. Any student who fails to clear the 1st Professional MBBS Part-I examination in FOUR chances availed or un-availed after becoming eligible for the examination, shall cease to become eligible for further medical education in Pakistan.

3. Any student who fails to clear the 1st Professional MBBS Part-II examination in FOUR chances availed or un-availed after becoming eligible for the examination, shall cease to become eligible for further medical education in Pakistan.

4. Maximum of FOUR chances availed or un-availed will be allowed to a student to clear First Professional BDS Examination. If a student fails to pass First Professional BDS in stipulated FOUR chances, his/her name will be struck off from the college. He/she will be considered ineligible to undertake BDS studies anywhere in the country.

5. The Principal will not forward the examination form of any student unless he/she produces clearance certificate from the college cashier, hostel warden and the college librarian.

6. A student who fails in part of the 1st Professional part-I and part-II examination and does not avail two consecutive chances will have to clear all the subjects in the subsequent chance. However, there is no bar on the number of chances in second, third and final professional examinations.

7. Each theory and Practical/Oral examination shall be of at least three hours duration.

8. The minimum passing marks in each subject shall be 50% both in theory and practical. A student who fails in theory or practical examination of a subject, shall be considered to have failed in the subject and will have to reappear both in theory and practical.

9. A student who in any year, fails to pass a subject/subjects in annual as well as in supplementary examinations, shall not be eligible for admission in next higher class, until he/she passes the failed subject as per procedure. The same shall neither be allowed to attend the next higher classes, nor will his/her attendance be marked in any way. Any attendance of such students marked in subsequent class, without promotion would be of no legal effect.

10. A student who fails in any subject, shall be required to attend the lectures and practical courses regularly with the subsequent class.

11. A student who re-appears in any professional examination shall pay requisite fee for the examination.

12. A student who is eligible to appear in the examination but did not take examination for whatever reason, shall be considered to have failed. Any attempt not availed shall be duly counted.

13. Only two examinations, one Annual and one Supplementary of the same professional exam/of the same session/class are allowed in any one academic year. No third or extra supplementary examination is permitted.

14. A student who has passed his/her MBBS/BDS examination shall be entitled to the degree of Bachelor of Medicine and Bachelor of Surgery (MBBS) and Bachelor of Dental Surgery (BDS) from the Khyber Medical University provided that he/she has conformed to the requirements of Pakistan Medical & Dental Council in vogue which may be changed from time to time.
